Headteacher's Message

It has been lovely to welcome all children back to school after the storm last week. All of the children were very keen to talk about their experiences and every teacher made sure that every child who wanted to speak about their experiences had the opportunity to do so.

Mrs Gray took this photo of a lovely double rainbow at school earlier this week!

Headteacher's Message

(continued)

The pick up and drop off trial has so far been a great success; our College caretaker Joe (who oversees the carpark) reports that the reduced number of cars going into the carpark has made a difference to the overall flow.

I am pleased that a significant number of parents have asked to be added to the trial during the last week. We are keen to extend but need to review the current procedures and increase our staffing capacity to accommodate more families.

We will be in contact with parents when we are in a position to extend.

The proposed strike days for next week have been postponed to the week beginning the 11th December. We will update parents with any changes to our Christmas plans as soon as we are able.

Friday 17th November is Children in Need Day. All children are invited to come dressed in spotty attire/non-uniform with a suggested donation of £1. We have got a range of exciting activities planned for the day to support this worthy cause.

We are holding a raffle to win a giant Pudsey bear. There are two giant Pudsey bears to win one for each Key Stage.

Raffle tickets are on sale priced at 50 pence each.

Key Stage 1 are also holding a colouring competition to win a smaller Pudsey bear. There is a prize for Reception, Key Stage 1. The colouring competition costs 50 pence to enter and needs to be handed in by Thursday 16th November. We will also be creating a path of coins on the Friday - so please bring in any loose coins if you have any to spare.
