

# JC Prep NEWS SUMMER TERM 2025

ALL ABOUT OUR SCHOOL COMMUNITY

## The Year 6 PRODUCTION

### Mystery At Magpie Manor

This year's Year 6 production was the lively musical play, 'Mystery at Magpie Manor.' Year 6 worked hard on this, all really enjoying the experience and shining on the stage. The mystery of the stolen pitcher had a surprising plot twist as they found out the inspector was actually Percy Pica, their long-lost cousin!

A big thank you to Mrs Pateman and Mrs Jefferson and all the other staff that helped with this amazing performance.

Year 6's spectacular production of Mystery at Magpie Manor.

The play included plenty of toe-tapping musical numbers that delighted the audience.

## Liberation Day

On Liberation Day the whole school had a picnic on the new field. Everyone brought a packed lunch and ate with their friends on the field! Also, army trucks and people dressed in 1940s army uniform came to our netball court so everyone could see the trucks up close! There was also a museum that children throughout the school contributed war time artefacts to. Each class then had the opportunity to visit the museum and look at artefacts on display. These included photos, letters and accounts written during the Occupation. And finally, the day of celebrations ended with the whole school singing songs from World War Two to parents in the Key Stage One playground.

Fun and Celebrations at JCP to celebrate 80 years of Liberation.
