week of the new strike action

Headteacher's Message

There has been lots of fun today as the children have taken part in Children In Need activities while raising money for such a worthwhile cause.

In our special assembly this morning, the Raffle prizes were picked and the winners from our Rec & KS1 colouring competition. Donations have flooded in to fill our 'Line of Coins' with spotty children and staff filling the corridors to collect them all up, ready to be counted.

Thank you to you all for your continued support.

ABCD

Congratulations to Mrs Killick who has recently completed the Level 3 Mental Health Workplace 1st aider course.

Absence During the Day

Please would you let us know in advance if your child is taking part in the Speech and Drama Eisteddfod next week and will require time out of school. Please email admin@jcp.sch.je

Please also give us as much notice as possible for any appointments such as doctors' appointments, dental appointments, music exams etc, which cannot be made for outside of school hours. These again should be emailed to the School Office copying in your child's class teacher.

No absence form is necessary for these.

Friday

Year 3 and 4 Netball club, Netball Court, 12.00-12.30

Netball News

JCP A 18-3 St Peter's

The A Team arrived for their first match with a great sense of excitement. They got into the flow of the game quickly and were very good at looking for and driving into space. The ball was moved around the court at a good speed and the pupils were encouraging to one another.

St Peter's School are also a new squad and put out a very strong defensive team who held us to a very tight 3rd quarter - with no goals scored at all! Our team stayed strong, focussed and played as a team for the win.

Players of the Match: Kiki and Milly

JCP B 4 - 7 St Michael's C

In the B team match the players started positively with an early goal. They seemed to settle into their new positions well, playing for the first time together as a team. Movement on the court was good and some excellent interceptions meant that we were putting real pressure on St Michael's C team.

Unfortunately, JCP couldn't take advantage of the shooting opportunities on this occasion, and as a result went behind in the third quarter. The team worked hard to recover, but didn't manage to get enough in the net to take the win.

A well fought game with some very positive aspects, well done B team!

Players of the match: Olivia and Eva

JCP C 7 - 6 St Michael's D

For many of the C Team this was their first competitive Netball match and the pupils were very excited about the opportunity. Strong passing through the middle of the court and the shooters working hard to find space in the D helped the team to a narrow victory.

All players responded well to feedback given and worked hard for their team. We are looking forward to more fixtures to improve even more!

Player of the match: Aarvi

Please find following and attached a message from Shelley Daly, Perinatal Peer Support Coordinator at Mind Jersey:

Our Perinatal Service continues to support many parents and we appreciate that times are challenging at the moment. We would like to try and make things a little easier by offering parents a 'Helping Hand'.

On Saturday 2nd December we will be opening the doors of our Mind Dropin Centre (Seale Street at the side of the Town Hall, the old registry office). We have been donated a number of new and used items suitable for expectant parents and parents of young children. We will be inviting parents to take as much or as little as they need with no expectation of payment or donation - everything is completely FREE!

A HELPING HAND
FOR PARENTS

CAMHS Neurodiversity Support Resources

The Child and Adolescent Mental Health Service (CAMHS) offer a wide range of support for neurodiverse children and their families. Please see below and attached for some of their latest support resources and programmes.

Support Pack – Information on neurodiversity, links to resources, sessions and local support services. Please [click here](#)

Introduction to the ND Service sessions – these will take place every first Tuesday of the month for parents/carers that believe their child may be neurodiverse and would like to find out further information or are on the waiting list for an assessment. This session takes place at St James School, Jersey Youth Service 12:00 – 13:00.

The session focuses on:

- Introduction to CAMHS
- Neurodiversity
- The assessment Process
- Support Available

Weekly drop-in support session for Parents/Carers of ND children - Starting on Monday 27th November 11:30 - 13:30 at the Yes Project. Providing parents/carers with a safe space where they can exchange experiences and knowledge, support each other and access information to support available from CAMHS staff.

Sibling Support - siblings of neurodiverse children can now access a 4-week course to help them better understand neurodiversity, identify and understand their siblings needs and how to best support them, recognise the importance of self-care as well as having the opportunity to connect with others who share similar experiences. This course is run in partnership with 'We Believe You Belong - ADHD awareness and support' CAMHS and Jersey Youth Service it is for children and young people age 9 - 14 years. The next course is running in Jan 2024 and ongoing support is available via the Jersey Youth Service 'My Time Project'.
