Headteacher's Message

Thank you to everyone who has already contributed to our annual Tinathon collection – your generosity is truly appreciated and makes such a difference to those in need within our community. Our first Mustard Seed shoeboxes have also started to arrive with Mrs Milon – what a brilliant start! Please do keep them coming in over the next few weeks.

After the overwhelming success of last year, we are delighted to announce the return of our **Pumpkin Carving Competition!** Information has already gone home with your child, but please contact your class teacher if you need any more details. We cannot wait to see this year's creative and spooky designs.

A decorative border surrounds the text, featuring a horizontal line with various school-related icons: a smiley face, an apple, a flower, a paperclip, a heart, and a binder. The background is a solid dark grey.

It has been another wonderfully busy week of learning and exploration. Our **Year 1** children have been out and about enjoying their **Woodland Wander at Hamptonne Woods**, while **Year 2** have gone early with the glitter in their fantastic fish creations! **Years 4 and 5** have been impressing everyone with their clay work, producing remarkable **replicas of Stonehenge** and some beautifully designed **Victorian tiles**.

We end the week with great excitement as the children prepare to put on their dancing shoes for the **PTA disco this evening**. A huge thank you to our wonderful PTA for organising such a fun event – we are all looking forward to seeing some excellent moves on the dance floor!

Pumpkin Competition

Due to the overwhelming response last year, the pumpkins are back!

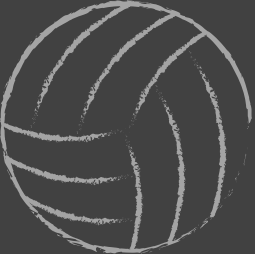

The year 6 Art Leaders invite all children to draw, design and enter a pumpkin carving competition. Children should create their design on the sheet provided by their class teacher. Please could we ask that adults carve the pumpkins!

We kindly suggest a £1 donation/entry for our school charity, Dementia Jersey. We ask that any donations be handed to class teachers.

Please bring into school on Wednesday 22nd October- not before. Place pumpkins on top of the design sheet on the tables outside the hall and in the foyer. Pumpkins will be judged, and a winner from Key Stage 1 and 2 will be announced in assembly on Friday 24th October. Pumpkins must be taken home on this day.

We look forward to seeing your creations...

JCP C vs First Tower

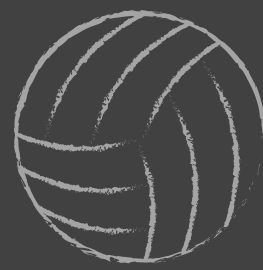

JCP's Year 6 C team put in a strong performance in a close match, narrowly losing by just one goal to First Tower.

There was some excellent attacking play and great ball movement, but chances couldn't always be converted in the shooting circle. Defensively, JCP found it tough to stop First Tower's confident shooters, who ultimately edged the game.

A great effort from all players – the team is showing clear progress every week. Well done, JCP!

Final score: First Tower 4-3 JCP C

NEW FOR 2025 – SPORTS ACCESS PROGRAMME!

The Sports Access Programme is a brand-new initiative launched by Jersey Sport for 2025. The programme has £40,000 to support young islanders who have financial barriers to access sport and physical activity.

Its mission? To eliminate the challenges and worries of costs that prevent children residing in Jersey, getting involved in local sport! Thanks to seed funding from the Philip Gower Foundation and Barry Burns Foundation, this programme helps new, returning and existing participants get and stay active in Jersey.

WHAT CAN BE FUNDED?

The funding associated with the Sports Access Programme supports children and young people to access sport, who would otherwise not be able to due to the associated costs of participation. The funding can help with costs such as membership or participation fees, as well as necessary kit or equipment.

WHICH ISLANDERS ARE ELIGIBLE?

To be eligible to receive funding from the Sports Access Programme, participants must:

- be aged 0 to 17 years old and resident in Jersey
- demonstrate financial barriers that prevent access to sport and physical activity, and
- be new to the sport, returning to the sport or having challenges maintaining existing activity within sport.

For more details please see: [**https://jerseysport.je/sports-access-programme/**](https://jerseysport.je/sports-access-programme/)
