Headteacher's Message

Welcome Back!

I hope you all enjoyed a wonderfully sunny summer holiday and had plenty of time to relax. It was such a pleasure to welcome back all of our children on Wednesday — even if the return to school was accompanied by wind and rain rather than sunshine!

The children have come back full of energy, sharing their summer stories with great enthusiasm, and have already settled beautifully into their new classes. We are also delighted to welcome our new Reception children, as well as those who have joined us across other year groups. We look forward to seeing them thrive as part of our school family.

The start of a new school year always brings with it a sense of excitement, adventure, and possibility. We have lots to look forward to in the months ahead — from new learning opportunities and creative projects, to events and celebrations that bring us together as a community.

Here's to another fantastic year of fun, discovery, and achievement for all of our children.

Mrs Precious

Curriculum Evening

We are looking forward to welcoming you to our Curriculum Evening on **Tuesday 9th September**. This is a valuable opportunity to meet your child's teacher, gain an overview of the curriculum, and understand the specific expectations for the year ahead.

To accommodate families with children in different year groups, there will be two sessions:

6:00pm

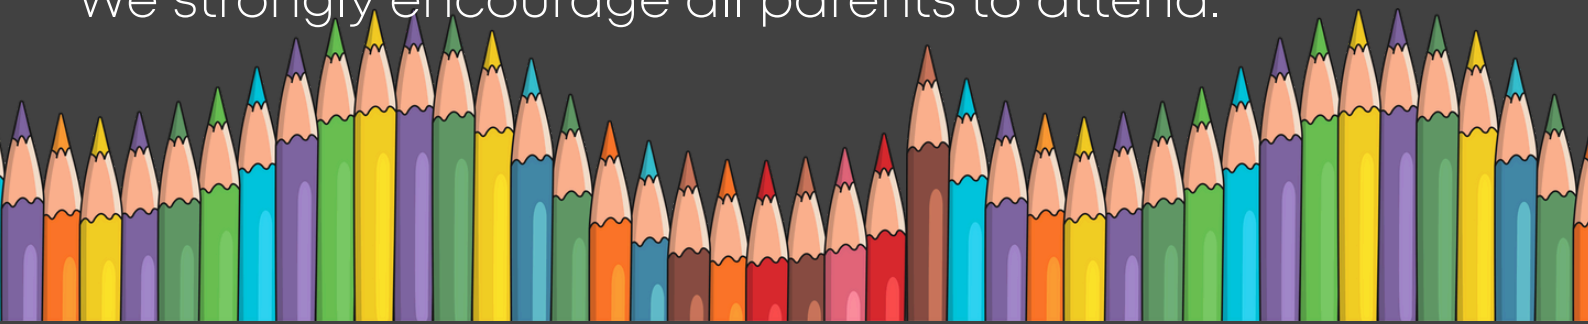

6:45pm

You are welcome to attend whichever session suits you best.

Sessions will be held in one of the classrooms within the relevant year group area, so please go directly to your child's year group once inside.

Parking will be available in the main College car park. Entry to the school will be through the main school office only.

Please note: children should not attend the sessions or be on school premises during this time. However, if anyone is struggling for childcare please do let us know. We strongly encourage all parents to attend.

School Reminders

School Website

Just a reminder that lots of useful information, including the most recent Curriculum and Transition Organisation Letters for each year group, can be found on our school website jcp.sch.je.

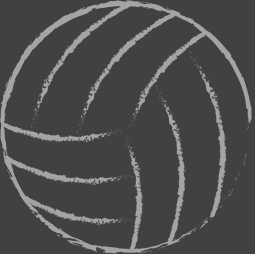

We encourage all parents to check the site regularly.

Nasal Influenza Programme

Please complete the online consent form, if you have not already done so.

Music Clubs

All music clubs will be running this coming week. Just a reminder that Strings and Wind ensembles are open to all strings (violin, viola and cello) and woodwind and brass (clarinet, flute, saxophone, trumpet, trombone, French Horn) players.

Senior choir (Year 5 and 6) is full, I'm afraid I do not have capacity for new members to sign up.

There is very limited space in Junior Choir (Year 3 and 4). Please email me by return at **j.tieppo@jcp.sch.je** if you wish to register your child – the sign-up form is closed.

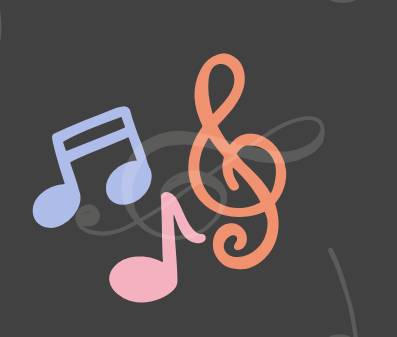

music

It is important that if your child attends any music lunchtime music club, they must bring a **packed lunch** so that they arrive on time for the start of the club. Hot lunches take a little longer and mean that the children miss the start of the session.

Please note that Signing choir (open to years 3-6) will run on a Thursday morning from 8.00-8.30am in the music room. The children will learn to sign songs using Makaton.

Instrumental lessons

All instrumental lessons will begin this week. Timetables and room locations are displayed in the shared areas in KS2. Please remind your child of the day and time of their lesson. If your child is in Year 3, their music teacher will collect them from the classroom for their first lesson.

Please contact Emily de Gruchy at Polyphony for any timetable queries, or the Jersey Music Service for any JMS timetabling issues.

Motion Studio After School Club offers a combination of art and animation activities, from learning digital art programs on iPads to hands-on drawing skills with pencils, pens, and comic markers. Stop-frame animation with LEGO and other materials is also a great way to build creativity and focus. All materials and technology are provided, though we recommend bringing a couple of LEGO figures and a memory stick.

ADVICE SESSIONS FOR PARENTS

We know that parenting after separation can feel overwhelming at times. That's why we've teamed up with the **Jersey Family Court Advisory Service (JFCAS)** to offer free, confidential one-to-one appointments for parents and carers.

What JFCAS can do:

- Listen and talk through the challenges of co-parenting
- Share options to help you move forward as a separated family
- Offer advice on creating safe, child-focused arrangements
- Explain how children's needs are considered in Family Court proceedings

What JFCAS can't do:

- Provide legal advice
- Take on casework outside of Family Court
- Make decisions for you — but they will help you explore your choices

These sessions are a chance to get clear, independent advice to help you make the best decisions for your children and your family.

RBC Race for the Kids is a global initiative that brings communities together to run, walk, wheel and scoot, all in support of youth charities. Globally, there are 29 races and more than \$100m CAD has been raised to-date!

This year sees RBC Race for the Kids return to Jersey for the first time since 2021, taking place on **Sunday 21 September** as part of the Supertri Triathlon event, in which RBC is delighted to be the official Community Partner.

We are excited to return to Waterfront Gardens this September where families, friends and colleagues will take on the 2.5k, 5k and brand new 10k distance in support of our charity partner Jersey Child Care Trust.

Anyone can take part, it's not just for kids. Let's set up our children for a thriving future - so register your interest now and support RBC Race for the Kids today!
