Headteacher's Message

I hope that you have all had a peaceful Christmas and relaxing start to the new year. It has been lovely to welcome the children back after the Christmas holiday albeit for a very short week!

I hope that you have had a chance to read the report from our recent review. I am incredibly proud of our whole school team in achieving such a positive outcome and look forward to working with our whole community to further develop everything that we offer here at JCP.

In case you missed it...

Please make sure you have downloaded your e-tickets from Mr Pallot.

An email with final details for the concert day will follow early next week.

Motion Studio After School Club provides a combination of Art and Animation activities, from learning programs for Digital Art on ipads, to hands on drawing skills with pencils, pens and comic markers.

Stop-frame animation with Lego and other materials is also great fun and helps to build levels of creativity and focus.

All materials and technology are provided , though we recommend bringing a couple of lego figures and a memory stick.
